EDUCATION

Bachelor of Science in Computer Science

College of Mary Immaculate
2019-2023 | Pandi - Bulacan

SKILLS

- **Web Development:** Proficient in HTML, CSS, Tailwind CSS, JavaScript, and React. Intermediate proficiency in Node.js.
- **Version Control:** Experienced with Git for version control and collaboration.
- **Database Management:** Knowledge of MySQL and proficient with XAMPP for local web application development.
- **Programming Languages:** Proficient in C#, PHP, and Python (with experience in libraries like NumPy, Pandas, and Matplotlib for data analysis and visualization).
- **Frameworks & Tools:** Working knowledge of ASP.NET and DevExpress.
- **UI/UX Design:** Proficient in Figma for wireframing, prototyping, and creating design systems. Experienced in graphic design using Canva, Photoshop and GIMP.
- **Software Proficiency:** Skilled in MS Office (Word, Excel, PowerPoint) and IDEs like Visual Studio Code and Jupyter Notebook.
- **Soft Skills:** Strong problem-solving, creativity, attention to detail, and ability to work under pressure. Fast learner with adaptability to new technologies.

WORK EXPERIENCE

METS LOGISTICS INC.

Junior Programmer

Sept 2023 – Mar 2024 | Magallanes, Makati

- ❖ **Developed and Created 3D Warehouse Mapping**
 - Utilized Three.js, jQuery, JavaScript, and Node.js to design and implement a 3D mapping solution for the warehouse.
 - Integrated interactive features to enhance user experience and visualization of warehouse layouts.
- ❖ **Maintained and Improved Warehouse Management System (WMS)**
 - Managed and updated the existing WMS to ensure accurate tracking of inbound and outbound items.
 - Utilized DevExpress to improve system functionality and user interface.
 - Added new features and enhancements to improve system functionality and user efficiency.
 - Addressed and resolved system issues to ensure smooth operation and reliability.
- ❖ **Tracked and Managed Warehouse Operations:**
 - Monitored and managed warehouse operations through the WMS, ensuring efficient handling and processing of inventory.

CERTIFICATE

COMPUTER SYSTEM SERVICING

National Certificate II (NCII)
2024 | TESDA
